GATEWAY PARK RULES FOR EVENTS

WESTCREEK PARK

Wolf Ranch opened its first neighborhood City park in Westcreek in 2005. Instead of waiting for the City to fund a new park for Wolf Ranch, the developer built Westcreek Park. This busy neighborhood City park will continue to be maintained by the developer until enough funds are available for the City to take over maintenance.

Westcreek Park is not just another neighborhood park. People use this park for socializing, sitting to view the mountains of Colorado, and it offers activities:

- Multi-age playground equipment
- Multi-purpose play field
- Picnic tables
- Park benches
- In-line roller hockey/basketball court
- Trails

TRAILS

Part of the planned 10 miles of trails for hiking, biking and walking are already being used regularly. Residents have an opportunity to choose from a variety of trails that wind through Wolf Ranch. Most trails are pretty flat through Wolf Ranch, and if you are traveling on them you can always capture a view, take in a sunrise, sunset or just enjoy some peacefulness.
